Application No. 10/588,155 ) **DECISION ON PETITION**  
Filed: August 1, 2006 ) **UNDER 37 CFR § 1.181**  
For: Secret Information Management Scheme Based )  
on Secret Sharing Scheme )

This is a decision on the petition filed on November 17, 2010 under 37 C.F.R. § 1.181 to request for withdrawal of the Finality of Office Action mailed August 17, 2010.

The petition is **GRANTED**.

**BACKGROUND**

On March 2, 2010, a non-Final Office action was issued with no 35 USC 101 rejection of any claims in it.

On June 2, 2010, a response was filed not amending claim 16.

On August 17, 2010, a Final Office action was issued with a 35 USC 101 rejection of claim 16.

**RULES AND PROCEDURES**

MPEP § 706.07(a) states in part that:

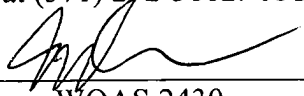

Under present practice, second or any subsequent actions on the merits shall be final, except where the examiner introduces a new ground of rejection that is neither necessitated by applicant's amendment of the claims, nor based on information submitted in an information disclosure statement filed during the period set forth in 37 CFR 1.97(c) with the fee set forth in 37 CFR 1.17(p).

**DECISION**

A review of the file indicates that the new 35 USC 101 rejection was not necessitated by amendment nor based on information submitted in an IDS. Therefore, the Final Office Action issued was premature.

For the above stated reasons, the petition is **GRANTED**. The finality of the Office action mailed August 17, 2010 is hereby removed. The November 17, 2010 amendment and response will be forwarded to TSS for processing as a response to a non final office action.
